> Our projected schedule for investigation and remediation activities is attached. This represents our current projections and is subject to change based on a variety of issues. We will keep everyone updated as changes to this schedule occur.  
>  
> As you will see, we are tentatively scheduled to implement the approved investigation activities starting next Thursday. This is dependent upon finalizing the access agreement with the property owner at 216 Slauson and removal of the solid waste materials. We will provide an update regarding these two pre-requisite activities next Tuesday and at that time we will either confirm the Thursday start date or provide a revised schedule.
